

Ben and Jill's Wedding

Places to stay

A wide range of accommodation can be found from the York tourist information office (tel. 01904 621756) who also have a lot of information about things to see and do in the area. Their website is www.visitork.org

Also, as it's vacation time, the university (tel. 01904 434870) will have a variety of accommodation on offer.

Alternatively, if you're just looking for somewhere to park a sleeping bag, let us know in plenty of time and we'll see what we can do!

Wedding gifts

Please don't feel obliged to give wedding gifts – your presence on the big day will be the ideal gift! However, if you really would like to give a little something, then we're currently saving money for our first home and any contributions would be welcome. Transfers can be made to our bank account (account number 16017579, sort code 602462) or by good old fashioned cheque.

Where and when

Saturday 12th August. Wedding at 2pm in St Paul's Church, Heslington.
Reception afterwards at Fulford Village Hall, School Lane, Fulford.

How to get there

St Paul's church is sited next to the University in the village of Heslington.

By public transport: The nearest bus stop is at Heslington Hall, across the green from the church. From the station the bus is a number 4 turquoise line to the University. If the weather is nice, we're planning to walk to Fulford (~20mins) and if it's wet then we'll beg lifts from whoever has cars! In the evening buses run from Fulford to the station until around 8pm, after which time taxis/lifts can be arranged.

By car: Heslington is located to the South East of York and can be found by following signs for the University from the A64 (see maps!). Parking for the church is in the Department of Chemistry car park and is signposted from the University Road roundabout. Parking for the reception is available in the grounds of Fulford C. of E. Primary School, opposite the Hall.
